

Public Health Grand Rounds: Seasonal Immunization Update

**DR. CHRISTINA KAY & DR. MARK CACHIA:
MEDICAL HEALTH OFFICERS, ISLAND HEALTH**

WHO: ALL MEDICAL STAFF

WHEN: OCTOBER 29TH, 2025 12:00 - 1:00

WHERE: VIRTUAL MS TEAMS [CLICK HERE](#)

Describe current activity for influenza, COVID-19, and RSV in Island Health, and review respiratory viruses last season in BC.

Explain how to access and manage these vaccines and document immunization.

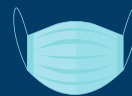

Review respiratory illness vaccines for the 2025/26 season.

If time allows during the Q&A, answer questions about other immunizations and communicable disease control (e.g., HPV, mpox, measles).

Highlight provincial immunization guidelines for influenza, COVID-19, RSV and pneumococcal vaccines.

Outline the current public health approach for managing respiratory illness.
